"Our family is beginning our thirteenth year of working with Fanestil Meats. We have been very pleased with the quality and convenience of Fanestil's Pre-packaged, Pre-Skewered Hotdogs as well as their regular Polish. Our business has been good and we believe their products have helped greatly in our success.

The Fanestil product is the best hotdog we have found. We no longer have to get up in the morning and put sticks in our hotdogs for the upcoming day or run short when we are busy.

We have met the company owners, Dan and Jan, and they are small private business owners, just like us. They have the same goals and desires for their business's success as we have for ours. If you need product quickly or you need anything, they are great to work with. We have to admit, we do not mind 'not sticking' our own hotdogs any more!"
